Departamento Interdisciplinario de Educación Salud y Moda

CAEP ANNUAL REPORTING MEASURES

Initial Level: Annual Reporting Measures (CAEP Component 5.4)

6. Ability of completers to meet licensing (certification) and any additional state requirements; Title II (initial level)

On March 13, 2020, the Puerto Rico State Board Certification Test (PCMAS) was canceled due to the COVID-19 Pandemic; evidence of the communication has been provided. The test was administered this March 2021. Therefore, results reporting completers to meet licensing (certification) and any additional state requirements; Title II (initial level) are not available.

Following is the evidence and translated communication provided by the College Board of Puerto Rico.

ENGLISH VERSION OF CANCELLATION OF PCMAS (STATE TEST) FROM COLLEGE BOARD

Dear Directors,

As a result of the state of emergency decreed today by the governor, we have taken, together with the Puerto Rico Department of Education, the decision to cancel the administration of PCMAS that was scheduled for tomorrow March 13, 2020. In the next few days we will inform you of the plan for the rescheduling of this administration. We ask that you inform your team of examiners and your security team about the cancellation. Today we will send a statement to all candidates to inform them about the cancellation of the test. Still, some candidates may report to the test center, so they will need guidance on cancellation. The most important thing is that both you and your families can be protected while this situation is resolved.

We apologize for any inconvenience this situation may have caused you. We deeply appreciate your commitment and patience today. Your respective representatives will be contacting you to ensure that you have received the information.
