ALUMNI DIRECTORY- PONCE, MAYAGUEZ, ARECIBO CAMPUSES

4.1- Completer Effectiveness: The provider demonstrates that the program completers effectively contribute to P-12 student learning growth.

4.2- Satisfaction of Employers: The demonstrates employers are satisfied with the completers' preparation for their assigned responsibilities in working with diverse P-12 students and their families.

The following tables represent the schools and places our alumni from the three campuses (Ponce, Mayaguez and Arecibo) have been working both at the public and private system. It also evidences that the employers have been satisfied with their work, as many of these teachers already have obtained a permanent position at the school they work at. The information has been desegregated by campuses.

For the Ponce Campus six candidates completed their program. One completer continued graduate studies and is not working. This represents an 83% of the completers for 2021-2022. Four candidates in the alternate route completed their program. Three were hired, one is not working as a teacher yet. This represents a 75% for 2021-2022. Refer to table below.
